

Equity SIP (EQ SIP) is a new facility offered through JeTrade by which customer get the privilege to buy pre-specified amount or for a pre-specified quantity in scrips of their choice at regular intervals over a period of time and also book the profit as selected by customer. For instance, customer can select Equity SIP for a period of say 6 months to invest Rs. 2000 per month from Stock list of EQ SIP, e.g. HINDALCO or alternatively customer can choose to buy 10 shares of HINDALCO every month from Stock list of EQ SIP.

This is a golden investment opportunity where customer can be fund manager of their own investment. Customer can choose their amount of investment in their selected scrip for their selected span of time. Only thing Customer need to do is fill the form, select scrip and select regular investment amount.

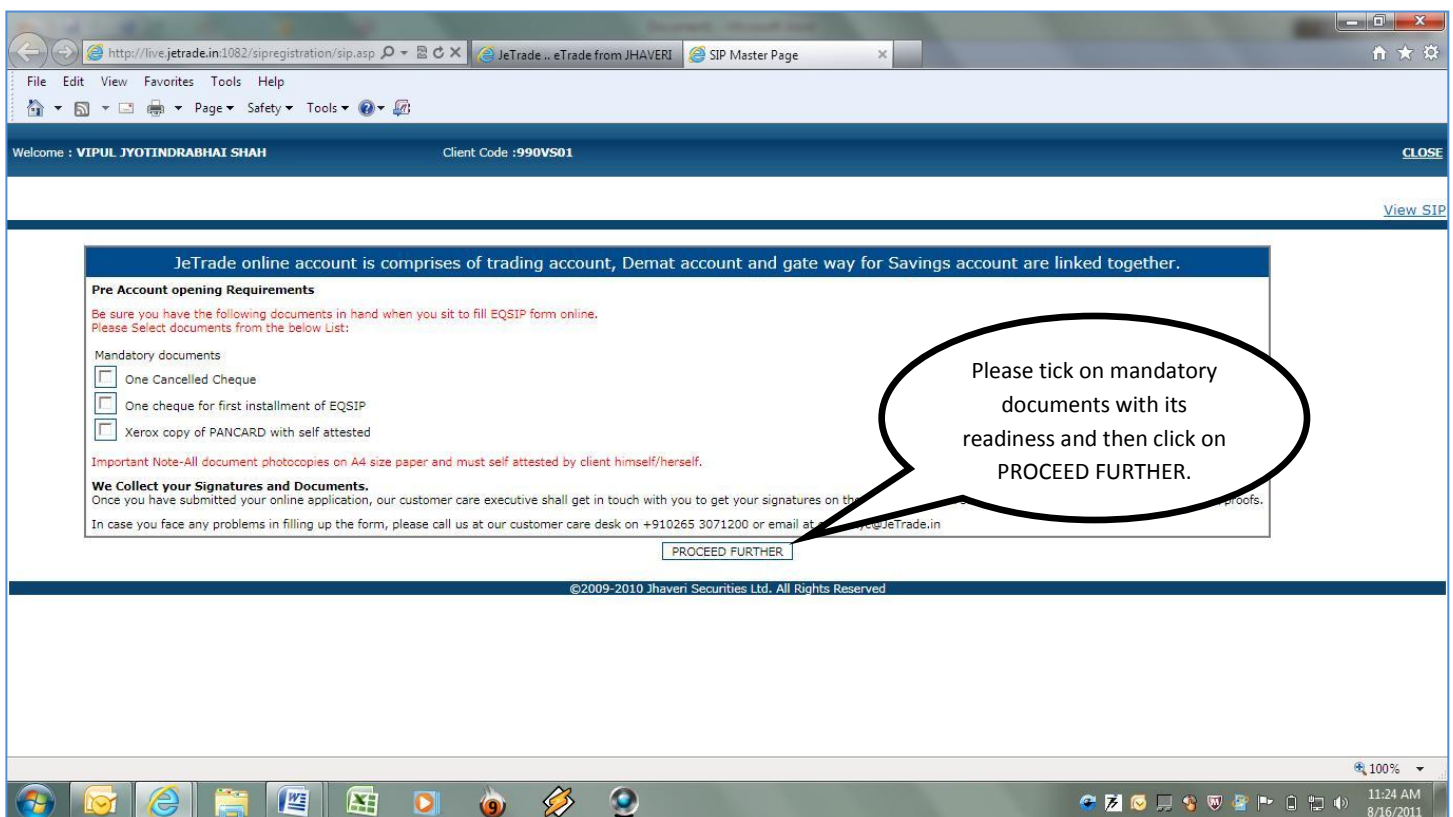

Benefits of Equity SIP are:

- Systematic and organized means of investing in equities.
- EQ SIP aids to accumulate stocks of your preference in your portfolio on a orderly basis.
- Invest in well fundamental stocks as we offer all Nifty 50 stocks.
- Become fund manager to your portfolio and take your own decisions for your financial growth.
- Many More...
